

**SUVALKHA ORGANIC AGRICULTURE PRODUCE & EXPORTS PRODUCER COMPANY LIMITED, (SOAP)** is an FPC promoted by experienced farmers belonging to Village Gwaloo, Block Moondwa in Nagaur district of Rajasthan on 20 February 2016. It has strong guidance and support from Krishak Vikas Sansthan (KVS), the producer organisation promoting institution (POPI) by NABARD for promotion, nurturing and guidance to FPCs.

The total number of shareholders has increased from 260 in March 2016 to 870 up to 31 March 2021. Company utilizes 8.00 Lac and 20 Lac credit facility from Sammunati Finance (NBFC) since 05 Aug 2020. In the year 2020-21 Turnover was 1 Crore 9 Lac. The business activities have been started by the FPC began over the past few months. Starting with company, tie up with reliance in Oct 2021 with 75 ton moong procurement from their members and supply to Reliance @ 75.00 Rs per kg so that FPO receive 5% profit from this business transaction. Company also engaged in Cumin, Kasuri Methi, Fennel and Fenugreek processing and marketing activities. SOAP has got required licenses from the necessary departments to carry out their business without any hassles. It has been registered with Spice Board of INDIA and APEDA.

The company members are also engaged in cotton production and sold its seeds with valid certification from the concerned departments. SOAP is currently working with the farmers for pulses and spices production, being cultivated on their own organic cumin farms. Company plans to scale up spice production and export gradually with the help of various line departments. Company setups cleaning & grading and destoning processing unit and market on NCDEX platform as well as over online mandi e-Naam.

SOAP has centralized market tie ups and storage facility for selling the produced crops to benefitting the shareholders.

With the collective action of NABARD, POPI & Farmers skill developed and strong market linkages established, so the trade risk is very less.

Once the secondary processing unit, dal mill and flour mill established, business operations booms.
